

When it's working at home, it's working at work.

By giving your team access to the world's largest network of caregivers, you can help improve focus, productivity, loyalty and morale. Employees are constantly dealing with family care issues—but 90% say they can balance work and life better with Care.com.

Workplace Solutions provides customized benefits, including:

- Access to ongoing and backup caregivers—across child, pet, home and adult/senior care
- Proprietary safety training and caregiver screening procedures
- Marketing materials and onsite seminars
- Worldwide coverage—through a network of over 4.5 million care providers

Keep your work force covered with any of these great services:

Premium

Access to the care your employees need—for any family member.

PremiumPlus

Care Advisors help busy employees prescreen and select caregivers.

BackupCare

Our best coverage program for unexpected care needs—big and small.

CarePlanning

Professional advisors help families set up customized senior or adult care.

EventCare

Access to onsite caregivers for corporate outings or overtime hours.

There for your employees.

We'll help them get the support they need—no matter what they're looking for.
