

EXAMPLE BABYSITTER JOB DESCRIPTION

Looking for experienced after-school babysitter two days a week

Seeking an experienced babysitter in the Hartford area to work after school on Tues. and Thurs., starting October 1, caring for our 5-year-old son and 7-year-old daughter.

Both children are in school all day, so workday begins at 4 p.m., meeting them both at the bus stop. Neither have activities these days, so active play until around 5:30 is requested (no screens allowed).

While kids watch TV, prepare simple dinner for them using ingredients/instructions we leave. After dinner, cleanup would be appreciated (but not essential). Kids are to then bathe, brush teeth, get into pajamas and play quietly or read until about 7:30 when it's time for bed. They are allowed to have a small, healthy snack during this time. We are usually home around 8:30 on these nights.

The sitter must pass a background check, have current CPR and first-aid training, a reliable vehicle and at least three references. The ideal sitter will be looking to join our family for at least one year and be comfortable with dogs. If interested, please send CV and references to the email address listed.
