

EXAMPLE BABYSITTER JOB DESCRIPTION

Seeking after-school babysitter for two school-aged kids

We'd like to welcome a babysitter into our family Tues., Weds., Thurs. from 3 to 6 p.m. starting September 9. We're in the Crystal Lake area.

We have two energetic boys, ages 6 and 9, who need to be picked up from school three days a week at 3 p.m., so you will need to have a reliable vehicle. Typical afternoons include preparing a healthy snack, helping with homework and driving to sports practices and playdates or walking to the park.

Once home, the boys need help washing up and then they're allowed screen time (no video games). During that time, light cleanup, such as placing dirty dishes in the dishwasher and dirty clothes in the laundry room, would be amazing.

We prefer a babysitter who's been flu vaccinated. Must have current CPR and first-aid certification and at least one recent reference. Hourly rate is \$25, plus gas reimbursement. If interested, please send CV, if available, and references to the email address listed.
